Meals and Snacks

The center will provide breakfast and lunch.
The center will also provide one or two snacks per day.

1. The center will have a menu on display for review of the meals to be served on a monthly basis.
2. The children will have a healthy breakfast and lunch with foods consisting from the four food groups.
3. Snacks will vary.
4. If your child needs special foods or drinks, the parent will be responsible for providing those items.
5. Bed babies who are on bottles and baby food will be fed according to the parents' schedule.
6. Baby food, baby juice and formula are not provided by the center, so parents will need to provide these items for their bed babies.
7. Parents will need to provide bottles for bed babies. The formula can only be used once per bottle. No re-warming-per DHR. All bottles must be sent home for washing and returned-per DHR.
8. If the center is serving a meal that you know your child does not like or cannot eat, please pack a sack lunch for your child that day.
9. If any child seems to have an eating problem at the center, the parent will be notified for a meeting with the owner to solve the problem so that the child gets proper nutrition while at the center.
10. If you think your child is not getting enough to eat while in childcare, please notify the owner or director so that the child's nutritional needs can be met.
